## How to Improve the Attendance of 21st Century Students and Parents

*Presented by: Dr. Jesse W. Jackson III*

**Topic:** Regular Attendance at school is vital for a student's success. It is impossible to recover the time lost from a missed day, and the more a student misses, the further they fall behind. This seminar will help schools staff to take the best steps that can improve attendance. This empower seminar will help teachers to:

- Why students come to school late
- How to Improve Attendance of At-Risk Students
- How to best Use a Truancy Department Staff
- Things you Can Control (or at least influence)
- Those Strategies That Have a Power and Positive Impact on School Attendance
- 10 Power Methods to help with Title 1 student parents.

**Presenter:** Dr. Jesse W. Jackson III is a nationally recognized school behavior consultant and therapist who specialize in at-risk student achievement and criminal behavior prevention.

**Cost:** \$25.00 fee for open enrollment. This workshop is provided free of charge for Truants' Alternative and Optional Education Program (TAOEP), Regional Safe School Program (RSSP) personnel.

This workshop is hosted by the Regional Office of Education #3 & #41. The TAOEP Professional Development Project is funded by the Illinois State Board of Education.
